**ANNUAL MEETING  
COVER CONTEST**

*Beginning in 2005, we have had the students from Grades 7 & 8 design the cover of our annual meeting booklet each year. This year's winner is:*

**LOGAN WEIMAN**

*LOGAN won \$75.00 and a ticket for herself and her family to attend our annual meeting supper. All of the students received a token from the Credit Union for submitting entries. We would like to thank all of the students for their effort and creativity. As well, thanks to Mrs. Jackie Duford for assisting the classes.*

**MEMBERDIRECT**

*We had recently sent out letters to anyone who is signed up for MemberDirect, the Credit Union's online banking platform. We had informed our members that we were improving our online banking and mobile app security with increased personal access code (PAC) requirements. StrongPac allows you to use passwords that consist of both letters and numbers and passwords that are up to 30 characters in length. We implemented StrongPac on February 19, 2020. The first time that you log on after that date, you will be prompted to change your current personal access code (PAC) to a new personal access code (PAC). PACs can be changed on a Desktop computer or the Mobile App, but they cannot be changed on our Mobile Web site.*

*The new PAC must be 8 to 30 characters in length and must include the following:*

- *An upper case letter*
- *A lower case letter*
- *A number*

*We also recommend that you include at least one of the special characters:*

*@ # \$ - !*

*You will not be able to reuse your previous 10 passwords and you will be prompted to change your password every 365 days.*

*If you have ever used Quickview on the mobile app, you will need to login on a desktop computer, navigate to Account Services and then to Mobile Banking App. Remove any registered devices that are shown.*

*If you have any questions, please do not hesitate to call.*
